

2020 B4 High School LA Missions Trip Director's Letter

First of all, we want to say how excited we are for your Junior/Senior to be able to go on an amazing Missions trip to the LA Dream Center. This is going to be an opportunity to serve like Jesus by experiencing what full, sacrificial service to others can do for a student's faith. Our heart and vision is that this would be a trip that would open the eyes of students to what serving others like Jesus can do for their faith. In a world that is built around building ourselves up, self-fulfillment, and consumption, it's not a surprise that often times the same thinking can be applied to a student's faith in Jesus. More often than not, faith can only be extended the thought "what can I get out of this?" or "what is this going to do for me and my faith?"

When Jesus came to earth, he not only showed the full extent of his love for us, but he also set an example of what it means to be a part of God's kingdom; this was shown greatest in the way he served and laid down his life for others. Jesus even said himself that he came not to be served, but to serve others (Matthew 20:28). Because of this, our heart is that being missional would become a staple in developing student's faith, which begins when we give students something to serve and work for in their faith. We pray that the work that they see Jesus do through their service would simply be the catalyst in their faith to serve and love others in every circumstance. We are so excited for it and are glad you get to be a part of it.

Outreaches:

Below is a note from The Dream Center about their different outreaches that we will be serving with throughout our week there. Not everyone will do be doing every assignment, but we will be assigned to the areas that they need the most for when we are there.

Adopt a Block

Adopt a Block is the heartbeat ministry of The Dream Center. Adopt a Block goes out and serves the community in any way possible. This ministry exists to build relationships and stay consistent in the community. Volunteers with Adopt a Block have the chance to help with the hot dog cart, which goes into areas where people are experiencing homelessness and intense poverty. This ministry also does random acts of kindness in the community as well as picking up trash, painting, sweeping the streets, basically anyway that we can help change the atmosphere of the community.

Dream Center Discipleship

Volunteers will be working alongside our Discipleship Program serving the community by cleaning up the neighborhood and engaging in various work projects on campus.

Food Bank

Throughout all of our food ministries, we process over 6,200,000 pounds of donated food per year. Serving in the food bank includes bagging up unprepared groceries and handing them out to the approximate 600 local community members.

Food Truck

The main goal of Food Truck is to provide relief to low-income families in at-risk neighborhoods. We go to 32 distribution sites and in a typical month serve more than 40,000 people! Handing out unprepared groceries to the community members opens doors to share the help available through other aspects of The Dream Center and Angelus Temple. We are able to connect them to other resources that they may need such as free GED tutoring, His Hands Extended, free medical programs, etc.

Dream Center Kitchen

Kitchen duty begins early in the morning and gives volunteers the opportunity to help serve breakfast and prepare lunch for the short term missions teams and our discipleship program.

Kid's Jam

Our Kid's Ministry team runs Kid's Jam. Volunteers will have the chance to help them in hosting a sidewalk Sunday school for the children at the site. You will be doing mini Bible lessons, painting faces, dancing and playing with the kids! Volunteers are also able to help clean the Kid's Zone Building and help the Kid's Ministry prepare for serves.

Foster Care Intervention

Here at The Dream Center, we believe that no child should be taken away from loving parents because of poverty. Foster care Intervention provides food, clothing, diapers, cleaning supplies, appliances and furniture to ensure that homes with minor children meet the requirements of Los Angeles County's Department of Children and Family Services. In some cases, the simple addition of a bed or safe crib is all a home needs to welcome back their child. We have the privilege of going into the homes, meeting with the

families, and bringing them the items they need as well as connecting them to other services from The Dream Center and the community and ultimately, introducing them to Jesus.

Meetings leading up to Trip

There will be a few meetings in the next few months regarding the trip; most of the meetings will happen closer to the actual trip itself in March giving info about how to prepare, etc. Here are the dates and times of the meetings:

Sunday, December 8th, 1-2pm: Information/Interest Meeting

Sunday, January 12th, 1-2:30pm: First Team Lunch & Meeting

We will continue to get more information to you over the coming months, but for now, the greatest preparation you can make is prayer. We know that Jesus is going to do a mighty work while we are there, and with all the preparation we could ever do, all that matters is that God is present and moving.
