

How to access Overdrive:

With the recent restrictions, closures and quarantines I wanted to reconnect you with a B4 resource: our digital library on Overdrive. For those who may not be familiar with Overdrive, it is the same system that the Washington County Library System uses.

Our collection includes most of the books listed in On the Same Page from this year and last year. In addition to these I have added several books and audio books that have come highly recommended. I am also able to add books to our collection, if you have suggestions please email me.

If you don't have a FDC account, please email me at ctsai@b4church.org.
Following are instructions for access to Overdrive:

- 1.** Go to: b4church.overdrive.com
- 2.** Sign in to your Overdrive account:
 - Enter your FDC card number
 - Your password is the first letter of your first and last name then the last 4 digits of your FDC card number
(ie. John Smith, card# 20000000137: password- js0137)
- 3.** You can check-out ("Borrow") books that are available and read using your: web browser, Kindle, the Overdrive (iOS or Andriod), or another ePub reader.
 - You can make a wishlist of books you want to read sometime in the future.
 - If a book is checked out by another patron, put it on hold. Once the book is available the system will automatically check-out the book and notify you by email.
